What is the Women's Fund Tribute Book?

The Women's Fund Tribute Book serves as our annual report to the community. We hand it to potential donors, volunteers and community members when introducing them to the Women's Fund. More than 4,000 copies will be printed and distributed over a two year time period. Primary distribution will take place at the Women's Fund Power of the Purse biennial luncheon on May 19, 2016.

What we're looking for this year:

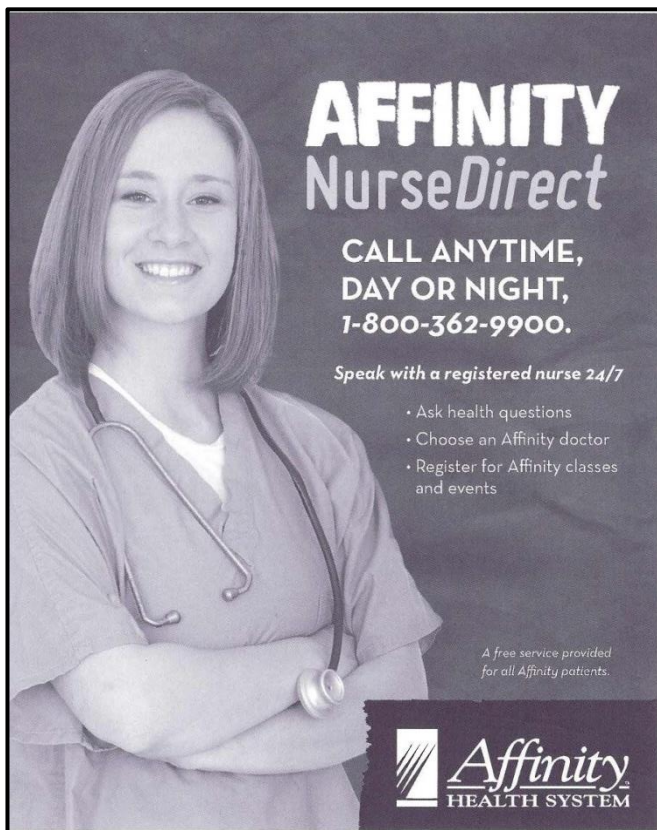

Tributes can advertise your business, celebrate a friend or family member, or even be in remembrance of someone special to you. Whether it be an advertisement for a special discount or a drawing with a short story (see word count) we'd love share your ad!

Who can buy a tribute ad?

Everyone! Individuals, businesses, nonprofit agencies, friends, coworkers, classmates, etc. If you are interested in a tribute ad AND plan to attend the luncheon, we suggest being a luncheon sponsor to get the biggest bang for your buck! You can find sponsorship costs and benefits at www.women.oshkoshareacf.org.

***Proceeds from tributes generate grant dollars for nonprofit programs that benefit women and girls in Winnebago County.**
